

Circ, Inc.
Asia Supply Chain Manager
May, 2022

About Circ

Circ is on a mission to power the clean closet with enhanced recycling technology that (re)sources nature's raw ingredients from global textile waste, promoting a truly circular ecosystem for the fashion industry. We aim to entirely eliminate the need for virgin resources and create a world where nothing goes to waste.

With sharp minds and soft hearts, our team of global scientists and business innovators have come together to solve big problems and are tackling one of the most damaging and polluting industries on the planet. Our mission is mighty, and so is our culture. We're the kind of do-ers who chase the seemingly impossible until we can say that it can in fact be done. At Circ you can expect warm smiles, wicked smarts, and the chance to really change the world.

Opportunity

As Circ continues on an exciting growth phase, we are looking for an experienced supply chain manager, who will work closely with the material science & product development team to coordinate the production activities with Circ's Asia manufacturing partners.

In this role, the successful candidate will take a leading role to communicate, set up the manufacturing plan with supply chain partners, tracking progress to support Circ tier 1 (such as yarn products), and Circ tier 2 (such as fabrics for apparel or backpack; footwear upper etc.) product development to meet Circ clients requirements.

Qualifications

- BS or MS degree in management, business, logistic or related field
- Excellent knowledge of supply chain process
- Strong people skills
- Excellent organizational and project management skills
- Attention to details
- Working experience of analyzing supply chain data and performance
- Problem-solving attitude
- Bilingual skills (English/ Mandarin)

Responsibilities

Asia Supply Chain Manager can expect to perform some of or all of the following:

- Collaborate with Circ operations team to monitor Circ produce materials inventory, which includes the Circ recycled cotton cellulose (Circ dissolving pulp, "DP") and Circ purified terephthalic acid (Circ "PTA")

- Communicate with Asia manufacturing partners to schedule trails/ production plan
- Coordinate with Circ operations team on logistics to make sure the shipment has been arranged accordingly
- Tracking production progress with the supply chain partners, indicate issues if any
- Resolve issues that come up (report back to Circ team)
- Maintain supply chain inventory and records (coordinate with operations team on data archive)
- Ensure supply chain process meet legal requirements and standards

Accountabilities

1. Develop company's supply chain strategy
2. Manage supply chain relationships
3. Monitor supply chain production schedule, inventory, and performance
4. Champion continuous improvement related to supply chain

Diversity, Equity & Inclusion at Circ

We believe an equitable and inclusive work environment and a diverse, empowered team are key to achieving our mission. We're looking for candidates who can expand our culture and challenge business as usual. We strive to foster an environment where all team members can bring their whole selves to work, by their own definition, and we strive to provide all candidates with an equitable and accessible recruitment process.

We provide equal employment opportunities to all team members and applicants for employment without regard to race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity or expression, veteran status, or genetics.

In addition to federal law requirements, we comply with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities.

This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.

If we can offer accommodations for you in the recruitment process, or if you have feedback on how to make our recruiting more equitable or accessible, please let us know!

Contact/Application Submission: Please submit resume, cover letter, and 3 references to info@circ.earth. No phone calls or information requests will be answered.
